Figures from myths and legends summoned across eras who are also called Heroic Spirits
Lancer!
Servants
Saber, Archer, Lancer, Rider,
Show me your power
Arc- her!
right here!
Their bodies surpass humanity and their mahjong skills are more than good enough just like when they were alive
All seven of these classes are made real by the Holy Tile's power
Caster, Assassin, and Berserker
Using your servant well is crucial for winning mahjong
Each servant has strategies they're good at and killer techniques. Additionally, each class has its own peculiarities and privileges
